COASTAL PLAINS FALL NEWSLETTER

DISTRICT SPOTLIGHT

Game changers! Coastal hired two District Liaison over the Summer to help implement the changes brought by HB87, Angelique Austin and Dona Barrow. Our Liaisons work with multiple school districts to help students work with their base schools and Coastal to complete their coursework. They visit different systems, do trainings and presentations as well as clarify any questions on attending Coastal Plains. We have over 200 program students attending Coastal Plains.

SITE SPOTLIGHT- COLQUITT

Our Colquitt site hosted a job fair in late September for their students. Representatives from the Moultrie/Colquitt County Chamber of Commerce and Quality Employment gave presentations and answered questions.
Our Colquitt site is located in Norman Park, led by Renee Gay and Alicia Hiers, and has a current enrollment of 1961 students.

STUDENT SPOTLIGHT - LIBERTY

Our Liberty site was visited by a recent graduate, Todd Evans, who came back to see his former teachers and mentor. Todd is currently working at Gulf Stream and doing well. Todd has also been invited to speak at the upcoming graduation. Our Liberty site is located in Hinesville, led by Elihu King and Stephanie Woods, and has a current enrollment of 98 students.

FOLLOW COASTAL PLAINS ON SOCIAL MEDIA!

Be sure to follow Coastal Plains on Instagram and Facebook to see student and staff stories, as well as celebrations.

On Facebook you can follow the District page or your site page, or both! You will be able to keep up with everything that is happening at your site.

You can also share the great experience you have while at Coastal Plains. Be sure to tag Coastal Plains in your post and use our hashtag #coastalcares
