## About Coastal Plains Education Charter High School

Coastal Plains Education Charter High School (Coastal Plains) is a collaborative effort of Bulloch, Camden, Candler, Coffee, Colquitt, Evans, Glynn, Grady, Jeff Davis, Liberty, Long, Lowndes, Screven, Vidalia, and Wayne school systems. We are an academic, self-paced, individualized, evening high school that serves students who are seeking a non-traditional school environment and who desire a Georgia high school diploma. Coastal Plains also serves students who need to make-up missed credit from their regular high school (**when room is available**), enabling them to stay on track academically and graduate with their peers.

Coastal Plains is a year-round school that offers all Georgia required curriculum courses as well as a variety of vocational courses. The teachers at Coastal Plains are certified. We maintain a low student to teacher ratio, have been accredited by the Georgia Accrediting Commission (Spring 2018), and plan to go through Southern Association of Colleges and Schools accreditation process.

This collaborative offers a student the choice to attend school at one of fifteen sites located in South Georgia. The educational program serves two categories of students:

1. the credit recovery student (CR), when space is available, who needs to make up or earn coursework in order to remain in their high school and graduate with their peers, and
2. the full time student (FT) who is no longer enrolled in another school and is seeking a Georgia accredited high school diploma through Coastal Plains.

Coastal Plains Education Charter High School operates Monday through Thursday.  
School site hours throughout the normal school year are from 4:00 p.m. - 9:00 p.m.  
Summer hours are 4:00 p.m. - 8:00 p.m.

Coastal Plains Charter High School also offers a remote learning option ***on a space available basis***. This is a year-round program that allows students to work a flexible schedule to earn an accredited high school diploma. All policy and procedures listed in the Student Handbook (p.12) are applicable for Remote Learning students.

### **Cost**

There is no charge for full time (FT) students. Students who are jointly enrolled with a regular day school program will pay the following tuition costs:

- one-half Carnegie unit \$75
- one Carnegie unit (block) \$150

Students are encouraged to pay the required tuition at time of registration. Tuition may be paid with a money order, certified check, cash, or a personal check. If needed, a payment plan can be arranged. If tuition is paid by personal check, course completion transcripts will not be forwarded to the daytime high school until the bank has notified Coastal Plains that the check has cleared (usually 21-30 days).

### **Student Attendance**

We recognize the relationships between daily school attendance, student performance, graduation, and success in the workplace. We also know that the amount of time actually spent in class is a good measure of student access to an education, provides a greater opportunity for graduation, and increases their prospects for ultimate success. Each tardy, early check-out or absence means a student has lost an opportunity to learn. Coastal Plains Education Charter High School strives to improve our students' academic success through improved school attendance.

Students under 16 years of age are required to attend class at least two (2) each night from August until the end of May. Georgia State Code and policies of the Georgia Board of Education encourage student attendance. Coastal Plains Charter High School Board of Governance policy and procedure reflects the state laws and Georgia Board of Education policy. Excused absences are those designated by state law, State Board of Education policy, and Coastal Plains Education Charter High School Board policy. Students may be excused for the following reasons:

- When the student is personally ill and/or when attendance in school would endanger his/her health or the health of others (medical documentation will be required).
- A serious illness or death in a student's immediate family necessitating absence from school (medical documentation may be required).
- A court order or an order by a governmental agency, including pre-induction physical examinations for service in the armed forces, mandating absence from school.
- Observing religious holidays, necessitating absence from school; conditions rendering attendance impossible or hazardous to student health or safety.
- A student whose parent or legal guardian is in the military service in the armed forces of the United States or the National Guard, and such parent or legal guardian has been called to duty for or is on leave from overseas deployment to a combat zone or combat support posting, shall

be granted excused absences, up to a maximum of five school days per school year, for the day or days missed from school to visit with his or her parent or legal guardian prior to such parent's or legal guardian's deployment or during such parent's or legal guardian's leave.

- Students serving as a page of the Georgia General Assembly are considered present.

For students under 16, parents may write notes to the school excusing up to five absences per school year without medical documentation. Phone calls will not be accepted. A parent /guardian who violates the Georgia Compulsory Education Law shall be guilty of a misdemeanor and upon conviction thereof, shall be subject to penalties specified in state code as adjudicated at the discretion of the court having jurisdiction. Each day's unexcused absence beyond five unexcused absences constitutes one violation.

Compulsory Attendance Laws: § 20-2-690.1 Mandatory education for all children between the ages of 6 and 16.

\***Attendance for Remote Learners** requires those students to log into their classes for at least 16 hours per week Monday-Thursday throughout the entire year. Or, if students are blended learners, they are required to be on campus for eight (8) hours per week Monday-Thursday.

## **Teenage and Adult Driver Responsibility Act (TAADRA)**

Effective July 1, 2015, schools will simply have to certify that a student is enrolled in, and not under expulsion from, a public or private school to be eligible for a driver's license or learner's permit. A **Certificate of Enrollment** form is available for schools to use in certifying that a student is eligible for a driver's license or learner's permit. The **Certificate of Enrollment** form replaces the **Certificate of Attendance** and the **Certificate of Eligibility for Restoration of Driving Privileges** forms that schools previously used.

## **Student Transportation**

Transportation to and from school is the responsibility of the student and parents/guardians/caregivers. All transportation arrangements will be made prior to coming to school. All authorized persons providing transportation to students under the age of 16 are required to report to the office or classroom to pick up students. Students are not allowed to wait in the hallway or outside the building for rides and should remain in the classroom until called by the office staff. Students are not permitted to be in or near the automobiles before, during or after school. Loitering in the parking lots and hallways will not be permitted.

## **Nutrition**

Coastal Plains does not offer meals. Students are encouraged to seek nourishment prior to attending each day. Breaks, in a manner suitable for each site, are provided up to a half-hour meal break each evening for bagged meals, which may be brought to campus.

## NCAA Initial Eligibility

Coursework from Coastal Plains has been reviewed by the NCAA Eligibility Center and meets NCAA nontraditional core-course legislation. To see a list of NCAA core courses from Coastal Plains, please refer to [www.eligibilitycenter.org](http://www.eligibilitycenter.org) or contact your counselor.

All high school students who wish to practice and compete for a Division I or II institution must register and be certified by the NCAA initial Eligibility Clearinghouse. All athletes interested in playing a college sport should contact their counselor for additional information.

\*Coastal Plains Education Charter High School's core courses have been reviewed by the NCAA Eligibility Center, and all courses meet the requirements for NCAA eligibility with one exception: If a student pretests out of all modules within a course, a designation of "neNCAA" will be added to the course name on the student's transcript to indicate that this course does not meet eligibility requirements for the NCAA. Students interested in playing a college sport should contact their counselor upon enrollment at Coastal Plains.

*Legal Disclaimer:* The list of NCAA courses, and courses contained within, are maintained as a guide for prospective student-athletes seeking NCAA initial eligibility. The list of approved courses does not, nor is intended to, signify accreditation, certification, approval or endorsement of any high school or specific course by the NCAA or NCAA Eligibility Center and is subject to change at any time and without notice. Core course information included on the NCAA Eligibility Center website ([www.eligibilitycenter.org](http://www.eligibilitycenter.org)) is provided for guidance purposes only and should not be solely relied on as an indication of NCAA initial-eligibility. Certification of a prospective student-athlete is case specific, and the Eligibility Center has the authority to determine in its sole discretion whether the prospective student-athlete has met all criteria.

## Remote Learning Option

Coastal Plains Charter High School also offers a remote learning option ***on a space available basis***. This is a year-round program that allows students to work a flexible schedule to earn an accredited high school diploma. It is important for the Site Director to always know who is a remote learning student and ensure that they are receiving services from site staff.

Student Requirements:

1. The student will schedule a Google Meet with his/her content teacher when ready to take an end of unit test or cumulative exam.
  2. The student will use the computer webcam to scan the testing environment so the teacher can see there are no other people in the room where the student is testing.
  3. The student will share his/her screen during the Google Meet session so the teacher can see there are no other web browsers open during the test.
  4. The student will turn on his/her microphone so the teacher can hear if there is any assistance while the student is testing.

## Graduation Requirements

In order to receive a high school diploma in Georgia, a student must complete the required number of units and pass the mandated Georgia State Board of Education tests. Students who attend Coastal Plains Education Charter High School arrive at different levels in their education; therefore, different sets of requirements apply. Students who have withdrawn from a public school must meet the graduation requirements for the graduating class in which they re-enroll. **Students electing to receive a Coastal Plains diploma shall meet the graduation requirements outlined below.** The Georgia Board of Education and Coastal Plains require that students earn the number of units specified in the applicable State Board rule.

## Georgia Milestones

The Georgia Milestones Assessment System is designed to provide information about how well students are mastering the state-adopted content standards in the core content areas of language arts, mathematics, science, and social studies. Importantly, Georgia Milestones is designed to provide students with critical information about their own achievement and their readiness for their next level of learning – be it the next grade, the next course, or endeavor (college or career). Informing parents, educators, and the public about how well students are learning important content is an essential aspect of any educational assessment and accountability system.

Per State Board of Education Rule 160-4-2-.13 STATEWIDE PASSING SCORE, the numeric score on the Georgia Milestones EOC and the cumulative exam shall count for 20% of the student’s final numeric grade in the course assessed by the Georgia Milestones EOC.

The individual graduation plan shall be developed in consultation with the student’s parents, guardians, or individuals appointed by the student’s parents or guardians to serve as their designee. Parents and/or guardians must approve this plan annually.

Coastal Plains shall provide guidance, advisement, and counseling to each high school student that will enable the student to successfully complete his or her individual graduation plan and prepare him or her for a seamless transition to postsecondary study, further training, or employment. ### **Section 504 Procedural Safeguards and Notice of Rights of Students and Parents**

Any student or parent or guardian (“grievant”) may request an impartial hearing due to the school system’s actions or inactions regarding your child's identification, evaluation, or educational placement under Section 504. Requests for an impartial hearing must be in writing to the school system’s Section 504 Coordinator; however, a grievant’s failure to request a hearing in writing does not alleviate the school system’s obligation to provide an impartial hearing if the grievant orally requests an impartial hearing through the school system’s Section 504 Coordinator. The school system’s Section 504 Coordinator will assist the grievant in completing the written Request for Hearing. The Section 504 Coordinator may be contacted through the school system’s central office. # STUDENT CODE OF CONDUCT

---

## **Development of the Student Behavior Code**

This code was developed in conjunction with Georgia school laws pertaining to student discipline in secondary public education outlined in the Official Code of Georgia Annotated (O.C.G.A.), commonly called the Georgia Code (specifically, O.C.G.A. § 20-2-730 – O.C.G.A. § 20-2-769). Such a code is mandated in O.C.G.A. § 20-2-735. The behavior code is reviewed on an annual basis. The revisions of the behavior code will go into effect on the first day of school each year.

## **When the Student Behavior Code Applies**

The rules contained in the *Student Behavior Code* apply to students, both during and outside normal school hours, who are:

- On school system property
- Off school system property while attending a school activity, function, or event
- En route to or from school or school-related activities
- Off school system property but engaged in conduct that, if committed at school or during a school-related activity, would endanger the health, safety, and well-being of other students, teachers, and school personnel or would disrupt the educational process
- School bus stops

## **Explanation of Consequences**

### ***Detention***

A requirement that the student report to a specific school location and make up work missed or to receive specific instruction in behavior modification. Detention may require the student's attendance before or after school.

### ***Short-Term Alternative Placement (In-School Suspension or ISS)***

Removal of a student from the classroom to work in an isolated area staffed with school system personnel. While in this setting, the classroom teacher provides work for the student to complete. This is used sometimes in lieu of out-of-school suspension. The student is excluded from all school-sponsored and extracurricular activities while assigned to this setting.

### ***Therapeutic Removal of a Student***

A student may be sent home from school for therapeutic purposes. The site director or designee and the parent/guardian may agree that, in some instances, it may be better for a student to leave school temporarily. This time away from class should not be considered as suspension.

### ***Suspension***

Removal of the student from the school campus and exclusion from all school-sponsored activities, extracurricular activities, and course work required. Suspension by the site director or designee shall not exceed 10 consecutive days. The disciplinary hearing officer or the Governance Team may only impose suspensions beyond 10 days after a due process hearing to determine guilt or innocence.

### ***Expulsion***

The removal of a student from the school system for an extended period of time; or permanent removal by the Governance Team or through a disciplinary hearing.

### **Explanation of the Term “Possession”**

A student is in “possession” of an illegal or prohibited item when it is found, or determined to be, in or on the person of the student, in his or her personal effects (including book bag, pocketbook, or athletic bag), located in the student’s locker, in a student's vehicle (or a vehicle in which the student was transported), while the student is on school property or at any school event or function.

## **Discipline Incident Type Codes**

### ***CODE 02: ARSON***

*Unlawful and intentional damage or attempted damage to any real or personal property by fire or incendiary device. A student shall not cause or attempt to cause physical injury or behave in such a way as could reasonably cause injury to another person. A student shall not engage in verbal confrontation or other verbal misbehavior including insult, use of profanity, ethnic, racial, sexual, religious slurs, bullying, or harassment that might lead to this offense. Any student who commits an act of physical violence against a teacher, administrator, school bus driver, or any other school employee shall be suspended pending a disciplinary hearing before a tribunal or disciplinary hearing officer. The Governance Team shall appoint the disciplinary hearing officer or members of the tribunal (which will consist of three certified educators) to determine all issues of fact and intent relative to the alleged incident of physical violence. The hearing officer or tribunal shall submit its findings of fact and intent, along with its recommendations of punishment, to the Governance Team as required by O.C.G.A. § 20-2-751.6. The Governance Team shall review the findings and recommendations of the hearing officer or tribunal and may follow the recommendation or impose penalties not recommended by the hearing officer or tribunal.

If the student is found guilty of this offense, the discipline shall be expulsion, long-term suspension, or short-term suspension. In cases where the act of physical violence results in physical harm, the student shall be expelled for the remainder of his/her eligibility to attend public school.

## **Restraint**

As a part of the emergency procedures in place in our schools, any student who poses an imminent risk of injury to him/herself or others may be physically restrained by school staff in accordance with Governance Board procedures. These could occur along with other emergency actions such as calling the police. Significant violations of the law, including assaults on students and staff, will be reported to the police. As soon as possible after any such incident, the parents or guardian will be informed.

## **Computer and Internet Use**

Coastal Plains recognizes that electronic media, including the Internet and electronic mail, enhance the quality and delivery of education in our schools by providing access to unique resources and opportunities for collaborative work. Any electronic communication that uses Coastal Plains computer resources, hardware or software, may be subject to review and there should not be any expectation of privacy other than that which is required by law. Use of electronic systems shall be in support of, and consistent with the vision, mission, and goals established by Coastal Plains and for the purpose of instructional and administrative support.

Students must obtain permission from the teacher before using the Internet. All Internet use must be under the direct supervision of a staff person. The use of electronic technology is a privilege, not a right, which may be discontinued at any time. Coastal Plains reserves the right to examine electronic mail messages, files on all types of Coastal Plains computers, logs of websites visited, and other information stored on or passing through Coastal Plains networks or stand-alone systems.

Unauthorized usage includes, but is not limited to visiting "chat" rooms, access, transmission, storage, or display of offensive materials or messages including those that contain sexually explicit information; ethnic slurs or racial epithets; defamatory, abusive, obscene, profane, and/or threatening language; encouragement of the use of controlled substances; or illegal material. If a student accidentally accesses an inappropriate website, the student must leave the site immediately and report the inadvertent "access" to his/her immediate supervisor or teacher.

Students are not allowed to use personally owned electronic storage devices (i.e. memory drive, flash drive, portable hard disk drive or iPod). Student use of these devices can result in loss of computer privileges and/or disciplinary action.

## **Medications (Prescription and Non-Prescription)**

Whenever possible, medications should be given at home, before or after school; rather than during the school day. School personnel cannot administer medication without prior written authorization from the parent/guardian. All medications are to be kept in their original containers and maintained by the Site Director or the front office, depending on each school's staffing. All medications need to be in their original container. It is highly recommended that any medication to be administered during school be delivered to the front office by a parent/guardian. A "Medication Form" (available in the administrative office) will need to be completed at this time. If it is necessary for a student to transport the medication to school, he/she must take the medication to the front office immediately upon arrival at school.

A student for whom the school has on file supporting medical documentation may carry at all times with parental/guardian permission inhalers for asthma, auto-injectable epinephrine (epi-pens) for allergic

reactions and glucagon for diabetes all necessary supplies and equipment to perform monitoring and treatment functions authorized by the student's diabetes medical management plan.

**It is a violation of the Code of Conduct for a student to share any medication with another student.**

**Prescription medications** must be in the original container with the name of the patient, the prescribing physician, dosage and the pharmacy indicated.

**Non-prescription medications** must be in the original container and accompanied with a parental note giving permission to administer. Examples of non-prescription drugs are aspirin, Tylenol, cough syrup, CBD infused products, etc. The note must state what the medication is, how much should be given, and when it should be given. The site administrator or designee may administer this type of medication and "log" each time the medicine is dispensed. Any student possessing prescription or over the counter medication not in accordance with these guidelines will be considered in violation of the School District's drug policy and shall be subjected to the discipline set forth in the student code of conduct and the student handbook.

### **Protocol for Management of Students with Diabetes**

In accordance with Georgia state law, O.C.G.A. § 20-2-779, Coastal Plains students with a diagnosis of Type I diabetes must have a Diabetic Medical Management Plan (DMMP). A meeting involving the parents/guardians, school administration, school counselors and involved teachers must be held before the student begins/resumes classes. The parents will be responsible for providing doctor's orders and other recommendations at this meeting. During this meeting, it will be decided if a Section 504 plan is necessary or if a Health Care Plan is sufficient.

Health Care Plans and Section 504 plans will be updated yearly and as necessary.

Any changes to the Diabetic Medical Management Plan (DMMP) must be submitted to CPCHS in writing. A hand written note or an email is acceptable.

- A student with diabetes cannot be in school without a doctor's order and a DMMP in place.
- Parents are responsible for providing the school with all supplies, which includes appropriate snacks, unless special circumstances apply. Supplies include alcohol prep pads, lancets, strips, meter, back-up insulin pen with tips, and ketone test strips. All supplies must be in sealed packaging and must be labeled with expiration dates.
- For a student to carry a prescription such as insulin, the appropriate 'AUTHORIZATION' form must be completed with the doctor, student and parent signature.
- If the student tests his/her blood sugar and the meter reads "HI", the parent will be notified and the student must go home. This meter reading is an indication of hyperglycemia. CPCHS cannot provide an insulin treatment.
- A student who tests positive for ketones must go home for appropriate medical care.
- Staff members are not responsible for changing the site/catheter of an insulin pump. This responsibility is that of the parent.

Nurses are not part of the CPCHS staff. CPCHS will provide training to designated site personnel in accordance with the guidelines developed by the Georgia Association of School Nurses and endorsed by the Georgia Department of Education.

- Training will be conducted by a school nurse or other health care professional with expertise in diabetes.

- At least two staff members at each site will be trained.
- Training will be provided annually.

CPOCHS sites will maintain:

- a student file that includes the DMMP and any other relevant information. The file/records should be made available to the diabetes-trained school personnel.
- a CPOCHS tracking record that includes the names and relevant information on each enrolled student with diabetes.

## **Diabetic Medications**

Since CPOCHS operates in the late afternoon and evening hours, students should take medications at home before coming to school.

In the event medications must be delivered to students at school, parents/guardians shall fill out an “Authorization for Medication” form and also an “Emergency Treatment Information” form. The need for dispensing medications at school must be included in the doctor’s orders on the Diabetes Medical Management Plan (DMMP).

Medication orders that are changed will be brought to the attention of the CPOCHS Site Directors. Medications will only be administered by trained staff.

Before medications are administered at school, at least one dose should be given at home 24 hours prior to school administration of the medication. This is to ensure there will be no reaction to the medication.

In the event of an allergic reaction and/or medication error, appropriate action will be taken.

## **Accurate Telephone Numbers**

If your child should become ill, Coastal Plains will notify you by telephone. Please make certain we have an **ACCURATE TELEPHONE NUMBER** so you can be reached. A student for whom the school has on file supporting medical documentation may carry at all times with parental/guardian permission inhalers for asthma, auto-injectable epinephrine (epi-pens) for allergic reactions and glucagon for diabetes. Students authorized to self-administer such medications shall be instructed not to permit any other student to handle, possess, or otherwise attempt to use his/her medication and shall be informed that violations of such instructions will be dealt with in accordance with the student code of conduct.

In order for the student to carry and self-administer such medications, the parents must provide a written statement from a licensed physician confirming that the student is able to self-administer the medication and written permission from the parent for the nurse or designated employee to consult with the doctor regarding any questions that may arise concerning the medication. Such permission shall release the school district and its employees and agents from civil liability if the self-administering student suffers an adverse reaction as a result of self-administration of such medication. Parents are encouraged to provide to the schools duplicate medication and supplies in the event a student is unable to self-administer or fails to bring the medication or equipment to school.

## **Title I Parent Involvement**

The Governance Board affirms and assures the right of parents and legal guardians of students being served in activities funded by Title I the opportunities to participate in the planning, design and implementation of the Title I program and its activities.

The Governance Board shall involve parents in the joint development of a written parent involvement policy. Coastal Plains shall involve parents in the process of school review and improvement under the Every Student Succeeds Act through input received from appropriate parent committees and other parent meetings or written surveys. Coastal Plains shall also establish expectations for parent involvement through written information distributed to parents.

The Governance Board shall build the schools' and parents' capacity for strong parental involvement through a variety of activities that include but are not limited to:

- Providing information to parents in written form or through meetings on topics such as the State's academic content standards, State and local student academic achievement standards/assessments, and the requirements of parent involvement under the law;
- Training educational staff on how to build ties between parents and the school;
- Sending information to parents in a format and, to the extent feasible, in a language that parents can understand; and
